

"GBZ Print Service - Your competent partner for all rollers"

We repair and manufacture rollers for all different specifications, according to drawings and samples, with the following coatings:

- with Rilsan ®
- with ceramic
- with chrome
- with Vulkollan, PU, rubber and other materials

We will be happy to provide you with a free and individual offer.
For the quotation we need the OEM number or the diameter and coating length.

We are looking forward to your inquiry!
